PRE-LOVED UNIFORM SHOP

During some of the Kindergarten Orientation activities, the Pre-Loved Uniform Shop will be available selling both pre-loved and brand new uniform items.

The Pre-Loved Uniform Shop at Nareena Hills Primary School is a volunteer service to all of our families, run by our P&C to help you save money on purchasing school uniforms for your children, and raise funds for our school.

When students have outgrown or no longer need their NHPS uniforms, families are able to donate these items back to the school by dropping them off at the front office. The items are sorted and offered for sale back to our school community at very cheap prices (the dearest items in our shop are \$5), and every cent raised contributes to the purchase of things like equipment and books for our students.

Even though our donated school uniform items are pre-loved, we always make sure that what we sell is still in very good condition with lots of wear left, we don't offer clothing that is badly stained or damaged. What we have in stock varies from week to week, and season to season as we rely on uniform donations. So even if you don't need anything in particular, try to pop in when we are open to have a browse – you never know what bargains you may find! The pre-loved uniform only takes **cash payment** and as everything is so cheap, be sure to bring some small change.

The pre-loved uniform shop isn't open every day, but we try to make sure we open at least once a week. Keep a look out in the school newsletter or Skoolbag App for notifications.

If you want to look in the pre-loved uniform shop but can't make it on the open day, you can also fill out a pre-loved uniform request form at the front office. Just write down your contact details and what you are looking for, and the next time we are on site we will look through our stock for you and let you know what we find.

**Brand new School Hats are available for sale every day from the front office,
at a cost \$18.00ea.**

School Hats are also available from the uniform shop, but we do offer other new uniform items for sale from time to time, usually school polo shirts, which are supplied to us by Poppets uniform manufacturers in Wollongong. All new uniform items sold also contribute to P&C school fundraising as all profits remain with our school, and we try to keep prices cheaper than retail so again you can save money.
