

Stage 3 Water Survival Challenge

Western Suburbs Pool, Unanderra

25 October, 2022

Dear parents and carers of Stage 3

The Water Survival Challenge **must** be conducted before participating in activities at Jamberoo Action Park. As part of the Jamberoo Action Park excursion, students need to demonstrate an ability to swim confidently. For us to utilise the time we have at the park and allow us to enjoy our day, we are conducting the Water Survival Challenge **before** the excursion.

If your child does not participate in the assessment, they will be issued with a non-swimmers arm band which will limit their rides at the park.

- Date:** Friday, 25 November 2022.
Time: 8am-9am.
Venue: Western Suburbs Pool, Unanderra.
Transport: The responsibility of parents to take their child to the pool and then to School.
Cost: \$0
Dress: Arrive wearing swimmers and school uniform to change into after the Challenge.
What to bring: Towel, goggles if required, underwear, school uniform, sunscreen and a hat.

Please return the attached permission note to your child's class teacher by Friday 18 November, 2022
