

BABY PHOTOS AND YEAR 6 PAGE

25 October, 2022

Dear Y6 Students,

You are kindly asked to complete three tasks in preparation for the end of Term 4. All tasks are to be **submitted by Friday, 25 November**. All three tasks are to be emailed to your teacher or given to them on a USB stick.

Task 1 Baby Photos. Locate and share 3 photographs: a baby photograph, a toddler photograph, and a present-day photograph. Please ensure the images are not blurred. PLEASE LABEL THESE PHOTOGRAPH FILES Surname1 (baby), Surname2 (toddler), Surname3 (present-day). Please make sure these are saved as JPEG files (ask if you need help with this!).

Task 2 Yearbook Page. Create a fun and exciting page to be included in the final yearbook. Check your spelling and grammar. Put your best self on the page and be respectful. Please make sure this document is a PDF format and LABEL THIS DOCUMENT SurnameY6Page. Your teacher will show examples of past good and not-so-good pages!

Task 3 Goodbye Presentation. Create a presentation and speech for your class. This will be about your memories at this school - see it as a goodbye speech and be as creative as you wish. Presentations will be delivered in the last few weeks of school.
