PRINCIPAL'S MESSAGE

"Great things are done by a series of small things brought together."

Vincent Van Gogh

This week our hall was transformed into an art gallery, showcasing the efforts and artworks of our students. The event attracted many visitors, and provided the school with an outstanding creative opportunity. The art show is a major fundraiser for the P & C. All proceeds raised through the sale of artwork, food and entry comes back to the school in a variety of ways.

I would like to thank Mrs Christian, our P & C president and driving force behind the art show, for the many hours of work that she put into ensuring a successful event. I would also like to thank the members of the P & C, and school community that catered for the event and assisted with the hanging of artwork. Big thanks also to Miss David and her family for sewing and hanging the coloured banners, they looked amazing!

Congratulations to everyone that participated in this fantastic event!

Nareena Hills also celebrated Book Week during Week 8, by providing students with the opportunity to buy books as well as hosting a K-6 Character Parade. Thank you to Mrs Relf for organising the event. Students dressed up as their favourite book character and paraded around the COLA with their teachers. In the afternoon the teachers organised literacy activities based around their favourite books. A big thank you to all the parents who supported our parade and helped our students create the proudly-paraded characters. What a wonderful way to celebrate our love of reading!

As well as the extra curricula activities offered above, staff were involved in intensive professional learning. All staff members participated in a session focussed on quality assessment. It is a privilege to work with such a dedicated and committed team of professionals who collaboratively plan to ensure improved student outcomes and a positive school culture.

POSITIVE BEHAVIOUR FOR LEARNING

During week 9 we will be focussing on the value of RESPECT.

The focus statement is:

Treat others the way you would like to be treated.

This week PBL lessons will be about respect at the canteen.

Wait patiently in the correct line. Buy only for yourself. Speak politely to the canteen volunteers.

SPORT NEWS

Regional Athletics

Congratulations to all students who competed at the Regional Athletics Carnival in Canberra last weekend. It was a cold, rainy and windy day down in the nation's capital, with parents and competing students braving the terrible weather. Unfortunately, the bad weather meant that events were completed in a quicker time frame, which impacted our track and field athletes.

All competitors did our school extremely proud, with all students achieving amazing results.

A special congratulations to the following students who will be representing the South Coast at the State Athletics Carnival:

Noah T (800m)

Melanie P (Long Jump)

NSWPSSA BOYS SOFTBALL

On Monday 29 August I travelled to Wagga Wagga for the week to participate in the NSWPSSA Softball Championships representing the South Coast.

We started our matches Tuesday morning at 8am. First we had our team photo, then we played our first match on diamond 3 against North Coast. I got 2 home runs and our team won 8 to 7. This was the first time Mr Turner (our coach) had won a game since he has been coaching the boys softball – so he was very excited. Game 2 we played Polding, which we lost. Game 3 we played Hunter and won 9 to 8 and I put a hole in my pants as I slid into home base to score a safe home run.

It rained heavily on Tuesday night and was still raining Wednesday morning so we only got to play one game against Sydney South West at Sturt Public School because the diamonds at French Field were covered in water.

Thursday we were allowed to play at French Field diamonds again. South Coast was placed in the top 8 positions and we played against Mackillop and Western. Westerns pitcher was so fast that no player during the week could hit any of his pitches – he was really fast and accurate. We were the only team to get 2 home runs and that was because of fielding errors. He got a K2 on every player (that means he got 3 strikes on every player).

South Coast came 6th overall. I would like to say thank you to Mr Turner from Corrimal East Public School and to Nareena Hills Public for such an amazing experience. I had a great time and made new friends along the way.

Online Healthy Lifestyle Program for Parents of Preschool-Aged Children

Do you have a child aged 2-5?

Would you like to learn more about healthy eating and physical activity for your child?

In 2016, we are offering parents the opportunity to participate in a 12-week online program about healthy eating, physical activity and sleep.

This is the first program of its kind and places are limited.

We are offering Early Start Discovery Space passes or Coles Myer Gift Cards to compensate you for your time.
