Book Club orders close
Year 6 Parent Helper disco meeting 3 - 3.30pm

The students involved in the swim scheme, participated in their last session today. The teachers would like to commend the students for their behaviour. The students were organised and responsible. I know that Mr Richardson, Mrs Hick and Ms Simons were impressed with the students.

On Wednesday I spent lunch time with the radical award recipients. I had a great time playing dodgeball and chatting to the students. So much fun that we decided it should be a regular Wednesday event.

Semester 2 reports will be distributed next Thursday. Report cards are a summary of your child's progress and results for Semester 2. Please remember that a 'C' achievement standard in academic learning areas indicates that your child is showing year level appropriate progress. Please review your child's report with them and take the time to celebrate their successes and set goals for 2018. If you would like to discuss the report further, please contact your child's class teacher to arrange a suitable interview time.

Last Thursday we had some exciting news with Mr & Mrs Tuzsynski having a baby girl and Mr & Mrs Pengelly having a baby boy. Congratulations to both families!

Our teachers this week have been delivering lessons around the notion of 'being kinder than necessary'. I would like you to discuss this message with your children, but more importantly I would like you to stress that being kind is not the same as ignoring unacceptable behaviour. If they are worried about something or they think an action is inappropriate, unsafe or unkind, they should report it to a teacher. The teachers at our school are professionals and trained to respond to behaviour. A problem shared is often a problem halved.

We have wonderful grounds at Nareena Hills and we know the school is appreciated by people who enjoy the trees and the space. After an unfortunate incident, we are asking that dogs not be brought onto school grounds between 7:30am and 4:30pm. We are requesting your support in relation to this matter, to ensure the safety of staff and students. I thank you for your cooperation.

Volunteers for 2018

We are now inviting volunteers for Canteen for 2018. If you would like to join our great team, let us know via email or phone! Shifts are just 3 hours in the morning, once a month, on Wednesdays, Thursdays or Fridays. It's a great way to be part of the school community and see your kids/grandkids smiley faces over the counter!

Lost Property

We have an abundance of items in lost property which we are unable to return as they are not labelled. If your child/children are missing an item of clothing, drink bottle, lunch box or towel please check lost property.

Lost property will be cleared at the end of Week 9 and all unlabelled items will be donated to the second hand uniform shop or given to charity.

Thank you!

We would like to thank Mr Simpson of the Lions Club of Figtree Inc. He is the Youth Director of Figtree Lions Club. He has kindly donated two books to the library. The books are written by Adam Wallace. Every year the Lions Club kindly donates books to schools in their area. We thank them for their community spirit and generosity.
